Nobody knows more about Sawdust Priests than I do, believe me. They come in, they have their ROBES, very dusty robes, probably the dustiest robes. And they say, 'Sir, we must wipe out the heretics.' Terrible. Very terrible. But Mr. Priest and I, we're very good FRIENDS, and I say, Mr. Priest you CANNOT import more Sawdust and he said 'retics must BURN. Not a nice guy. Open the SAWMILLS now, you crazy bastards!
